Potentates Message

Nobles:

Greetings and thanks for the tremendous support you are giving me as your Potentate.

Since you elect your Potentate, you share with him his burdens and his success. Your counsel and assistance—your encouragement and advice—your support and approbation are all as necessary as the vote you extended at election.

The continued enthusiasm and support you have already exhibited cannot but bring success to your Temple and pleasure to the Nobility as a whole.

Many events are planned—all for your pleasure. Support them by attending and see how pleasant it is to live the American way of life.

Yours in the Sunshine of the Shrine

Dear Nobles:

This is to draw to your attention the greatest of Masonic benevolences, Aahmes Temple WIDOWS' AND ORPHANS' FUND.

The Fund pays $1,000.00 immediately upon notification of the visit of the Black Camel. This, in many cases, is the difference between security and despair. It would take you twenty-four years to build up a cash-on-hand fund by paying into a special bank savings account and accumulating it for yourself.

By joining and keeping in our Fund, you pay each month a little to help the other fellow Noble's family when the Black Camel pays his visit and those that carry on do the same for you. This is not insurance but a Masonic benevolence that will save your loved ones from the embarrassment of borrowing funds at the time of your death (and from whom could they borrow this amount?).

Think it over, Nobles, and give your loved ones this protection now.

Yours in the Sunshine of the Shrine,

KENNETH C. GILLIS, Chairman — ED. F. HUGHES, Vice-Chairman — BOB ABERNETHY, Secretary
